ST. ALBERT DANCERS  
... performed at Lethbridge

## Local dancing school does well at festival

Students from the St. Albert School of Dancing took part in the Alberta Dance Festival which was held in Lethbridge March 5 to 8.

The school chartered a

bus, and 31 children plus 15 mothers, along with principals, Mrs. Hughes and Mrs. Smith, made the trip.

This was the first time that the St. Albert school

had entered this festival, and the results were very rewarding.

They were awarded the Stettler Trophy for the highest mark in group song and dance, with their presentation of a Minstrel Spectacular.

The festival closed on Saturday evening with a program, selected by the adjudicators of outstanding performances of this year's entries.

And St. Albert's Minstrels were honored by being selected to open the evening's show.

As well as winning the trophy, the school gained five firsts; five seconds; three thirds and 10 merit awards.

Although it was a busy four days, with dancing events going on from 9 a.m. till 10 p.m., both children and parents agreed that the experience gained was an education in itself, and look forward to participating again next year.

Students from St. Albert who took part in the festival were: Kim Martin, Cindy Forcand, Coleen Kelly, Sherri Miller, Laura Kull, Linda Wilson, Marianne Waugh, Christine Lensink, Lee Shelemey, Melane Erickson, Jeanne Martell, Angela Kochan, Jeanette Henry, Risa Jolley, Peggy Sinclair, Sharon Willis, Elizabeth Gorka, Patil Lukay, Heather Wright, Christine Kemper, Patil Hughes, Wendy Jentink, Jane Barnes, Maril Matychuk, Jocelyn Kowalski, Maureen Gai, Lisa Kull, Laurie Tandrup, Leslie Tandrup, Kerri Martin and Joanne Smith.

## Buns

St. Albert Cubs and Scouts will hold a hot cross bun sale on Saturday, March 29.

They will have a booth set up in the shopping centre and if the weather is good, will also travel house to house.

## Education Minister addresses Chamber

About 140 Chamber of Commerce members and their wives attended the annual dinner meeting and dance held Saturday evening at the Club Mocombo.

Chairman Bill Penrose announced that the business portion of the meeting had been held to a minimum on this occasion, and called on Mayor Ray Gibbon to conduct the induction ceremony for incoming President of the St. Albert and District Chamber, Mr. Peter Zuidema. The mayor prefaced the formal induction with a sketch of Mr. Zuidema's background in the business community here. Noting that the task of chamber president is a difficult one in St. Albert, he said he knew Mr. Zuidema would do a very capable job, and wished him good luck in his term of office.

President Zuidema presented scrolls to the two members who had served as president last year: Mr. Rene Kambourff (until his election to council) and Mr. Bob Bate, and expressed his thanks for the support of a hard-working executive.

Mr. Robert Clark, minister of education was introduced by Mr. Penrose, and opened his address with some remarks on the St. Albert proposal for locating a university here. He

ROBERT CLARK  
... Minister of Education

assured his audience that their M.L.A., Keith Everitt and their mayor, (both head table guests) were vigorously pursuing this matter with his department.

Noting that while his government was trying to hold the line on the cost per student in Grades 1 - 12, he pointed out that the number of students was increasing so rapidly that in the years ahead costs must go up considerably. The minister said also that it should be clear if the province

picked up an increasing portion of these costs, the result would be less autonomy for local school boards. Plans must be made now for at least 20 years ahead, said Mr. Clark. This is the period it would take a student in grade one to complete 12 years secondary education and either technical, junior college or university training. Such planning must include increased facilities for junior college and technical training centres such as NAIT and SAIT, as well as expanded university facilities.

Addressing himself to the businessmen present, Mr. Clark said they had an increasing responsibility to support high education and commented on the current drive by the U of A for funds from business and industry.

Mr. Clark, while mainly concerned with the serious problems of financing education, lightened his talk with several amusing and well-told stories. He was well received by his audience and Mr. Zuidema thanked him on behalf of the Chamber for "your informative talk which has given us food for thought."

Mr. and Mrs. Clark, and Mr. and Mrs. Everitt stayed to enjoy a few dances before they had to leave.

## Car-test deadline extended

Drivers of 1960 and older model vehicles will have an additional six weeks to take them through the safety inspection centre in Edmonton.

The deadline was extended to May 15 from March 31 by Highways Minister Gordon Taylor last week.

He said the change will give more time for inspection of 1960 and older automobiles, required because compulsory testing last week was extended to 16 towns and villages near Edmonton and the rural routes surrounding them by an order-in-council passed by the provincial cabinet.

Although the government granted an extension of the March 31 deadline, it said no change is contemplated for the deadlines for later model vehicles.

## Town's annual meeting

The Town of St. Albert will hold its annual meeting in the Community League Hall at 8 p.m. Monday, March 24.

Mayor Ray Gibbon, Secretary-Treasurer D. B. O'Connell and chairmen of the various committees will give reports on 1968 activities to the electors.

ERIC McCORKELL ADDRESSES KINSMEN  
... guests J. Yuskiv, D. Swain and Kinsman J. Kilworth

## St. Albert Kinsmen hear talk on youth

Eric McCorkell, academic dean at Alberta College, was the guest speaker at the Kinsmen's last meeting.

Mr. McCorkell, who has had a great deal of experience with young people, spoke on today's youth and some of the things they are up against in our fast moving and ever changing society.

Several members of the St. Albert teen centre, The Sanctum, were present and joined enthusiastically into the discussion which followed. The Kinsmen raised many questions which were aptly answered by the teenagers and Mr. McCorkell. The main purpose in having the young people present was to get first-hand information about the Sanctum and the problems encountered in trying to organize and operate this venture.

The Kinsmen feel that the youngsters will have a fine organization and a great place to meet and hold their functions.

The Kinsmen advisory committee intends to work very closely with the executive of The Sanctum.

## Fish, game dinner a gourmet's delight

It will be a sportsman gourmet's delight in the Wellington Park Community Hall on Friday, March 21.

That appears to be the best way to describe the St. Albert and District Fish and Game Association's annual Sportsmen's Dinner and Trophy Ball.

At the dinner which will start at 7, there will be deer, moose, elk, bear, goat, antelope, porcupine, lake trout, duck, rabbit and whitefish.

Vice-President Don Hayden reports that the specialty of the evening will be steaks from the larger game animals cooked in wine.

There will be a cocktail hour from 6 to 7 and dancing will begin at 9, lasting until 1 a.m.

Trophies will be presented to the club members boasting the best bag in elk, moose, deer, (white tail and mule), rainbow trout, pheasant and ruffed grouse.

The Wellington Park Community Hall is at 135th Avenue and 132nd Street. Everyone is welcome to attend the dinner. For information phone Don Hayden at 599-3441, Gord Kirby - 599-7679 or Claude Valliere 599-8324.

The Father Lacombe Chapter IODE recently installed a new slate of officers. Mrs. J. G. Brindle, past regent, presents the chapter gavel to Mrs. D. S. Odina, regent. Looking on are Mrs. W. M. Scott, service secretary; Mrs. Richard Skistod, standard bearer; Mrs. S. R. Lanting, 2nd vice-regent; Mrs. P. F. Crotty, education secretary; Mrs. L. L. Young, secretary; Mrs. D. L. Taylor, treasurer. Not present are, Mrs. H. A. Lastwika, echoes secretary; Mrs. A. Vandenbox and Mrs. M. R. Bandravals.

## Grade 4 class a busy one

If you haven't got one big money-raising scheme, get a bunch of little ones to do the same thing.

That's the theory used by the Grade 4 class at Sir Alexander Mackenzie School.

Kevin Keith, president of the Junior Red Cross Society, reports that the class has had several money-raising projects this year. The last venture was a play called The Broken Tiger, put on for several classes in the school during Education Week.

The class has raised \$20 for the Red Cross so far this year.

## League's Hawaiian Luau a tremendous success

The St. Albert Community League Hall nearly burst at the seams last Friday night as more than 400 persons took in the Hawaiian Luau.

"I don't ever remember such an evening," league Vice-President Mrs. Anne Kampen said Monday. "It was a tremendous success."

Mrs. Kampen said people from 2 to 80 - came from

Morinville, Legal and most district points. Some even came from Westlock.

Activities started at 7:30 p.m. with the serving of dinner, which was accompanied by continuous entertainment presented by local talent.

Dancing began at nine, with bands downstairs and upstairs. It was originally thought that the teens would dance downstairs and the adults upstairs, but throughout the evening adults and teens took a crack at the other's choice in music.

At midnight, everyone gathered upstairs to take in the floor show presented by a professional troupe from Edmonton which included a real Tahitian princess.

Mrs. Kampen said about 60 people were involved in putting on the evening but she singled out Mrs. Dorothy Harrison, the director, for praise.

"She worked almost every evening and weekend for a month and made the production the success it was," Mrs. Kampen said.

## United Church UCW

The combined units of the UCW have been meeting together to study "China Today," a subject pertinent to all Canadians in 1969.

In January the program was presented by Mrs. J. Tookey and Mrs. W. Hite and dealt with the history of the Chinese people and a look at life in a Chinese commune.

The February meeting discussed the religions of China and the red culture

and was led by Mrs. P. Mykityshyn.

A final program is planned for Sunday March 30 at 8 p.m. in the United Church. The guest speaker will be Dr. H. W. Collier, former medical missionary to China and presently working at the University of Alberta.

An invitation is extended to all people of St. Albert and district to attend.

A coffee hour will follow.

## St. Albert to host badminton finals

High school badminton players from the North Central Zone will gather in St. Albert Saturday, April 12, to participate in the annual North Central Zone championships.

Each high school in the zone that is registered with the ASAA is eligible to enter a full 12 player team.

The school winning the most points will be awarded the Veness Garage Trophy. This trophy was first awarded in 1956 to St. Albert and St. Albert repeated in 1959. Westlock won it in 1960 through 1962. Fort Saskatchewan won the trophy the next two years, Athabasca in 1965 and since then Barr-

head School has retained the badminton supremacy in the North Central Zone.

Play will be conducted in the Vital Grandin and St. Albert High School gymnasiums.

Top Zone players will unite forces to form the North Central Team in their bid for provincial honors. Last year the North Central Zone won the Soprovich Trophy awarded to the zone, exclusive of Edmonton and Calgary, accumulating the most points in the provincial badminton championships.

The provincial final will be held in Edmonton on April 19.

## Around Town

Emeralds, from 9 p.m. till 1 a.m. Proceeds are for the Aphasic school building fund. Tickets may be obtained from Garth Peterson - 599-6790.

St. Albert's four skating rinks were officially closed at the weekend.

Anyone wishing to skate will have to put them on outside as the shacks will no longer be open.

## Concert

The St. Albert Evangelical Lutheran Church will be holding an Easter concert, Sunday, March 23 at 8 p.m., featuring the Junior and Senior choirs.

## Library launches campaign

The St. Albert Library board has launched a campaign for funds to establish a reference section.

Board member Mrs. Peter Hapchyn said Monday that \$225 had already been raised, \$150 coming from Northwestern Utilities, \$50 from Safeway and \$25 from Tamblin's.

She said the board had already ordered a set of World Books, Childcraft, an Atlas and a dictionary.

"We have a reference section," Mrs. Hapchyn said, "but it is entirely inadequate. Children should be able to go to the library and find information to complete assignments, but we just don't have the books."

Mrs. Hapchyn said the board hoped the present fund drive would rectify the situation.

# the Gazette REFLECTS

At last week's annual meeting of the Chamber of Commerce the office of president was referred to as a difficult one by two of the speakers. In St. Albert, as in many other centres it is indeed difficult to maintain a vigorous Chamber.

The problem experienced by men involved in Chamber work outside the large cities is always the same - "Not nearly enough businessmen actively support the Chamber."

Which causes us to consider why this is so. If a Chamber of Commerce was a concrete help to businessmen, in solving their problems and helping them in increased growth, then they would attract a solid and vigorous membership.

It seems to us that what is needed is a separate organization for small independent businessmen, whose interests are rarely the same as big business.

An example could be seen in Mr. Clark's address to the St. Albert Chamber last week. We are in complete agreement with the provincial minister of education that big business and industry must contribute more to the cost of education.

However we do not agree that businesses the size of those in St. Albert are in a position to help finance our universities.

When Provincial Chambers and the National Canadian Chamber present their views in briefs to the federal government they are rarely in the interests of small independent business and farmers. One federal government report we saw a few years ago defined "small businesses" as those employing 100 persons or less. If the senior levels of government are realistic they know that there are many thousands of independent businessmen in Canada employing 20 personnel or less.

If the voice of these businessmen and farmers is to carry any weight it would appear they should unite in their own arm of the organization. Certainly this group, which is a back-bone of every town, village and rural district in Canada and providing jobs for 3-20 people per business, is the forgotten group in today's society.

In numbers (and therefore votes) a small business arm of the Chamber could exert a strong influence on governments to help create a climate in which enterprising small businessmen can prosper in this and future generations. At the moment it is the big firms who get the concessions, tax incentives and so on as provinces and cities vie with each other to attract them. Yet they are most able to pay. The big firms get the advantage of quantity buying rates. The so-called free enterprise system appears geared to make the big guys get bigger, and to eventually eliminate the small guys. A small guy can have plenty of "enterprise" but he can't develop it for "free" in this economy.

To develop such an organization into a cohesive force would not be an easy task either. But the rewards could be great and we believe excellent leadership could be found in the ranks of the small independent businessmen. And perhaps businessmen in towns and rural areas would get much more solidly behind such a branch of the Chamber than they do behind the present Chamber of Commerce.

## Municipal rate set at 27

At a special meeting Monday night Town Council finalized the 1969 budget for municipal purposes and established the mill rate at 27 - the same as the 1968 rate.

Total live assessment last year was \$17,177,000. For 1969 taxes will be assessed on the slightly higher figure of \$17,236,000. Court of Revision may decrease this somewhat however.

At the March 10th meeting Council approved an indefinite extension of time for the school boards requisitions, since the boards are waiting for the provincial government grant under the foundation program to be determined.

# Report from Legislature

by Keith Everitt, MLA

What a week! Tempers have flared a little, but on the other hand we have witnessed a few precious moments of excellent humor, which is welcomed by all Members. The Honourable Member from Lac St. Anne thought he would once again deal with the Natural Resources Railroad with all kinds of charges, however he looked like he was completely derailed before the debate concluded. I would outline some of the budget proposals.

- 1) Increase corporation tax by one percentage point.
  - 2) Increase personal income tax by five percentage points.
  - 3) Introduce a new tax on tobacco products.
  - 4) Remove .03¢ per gallon fuel oil tax where it applies to farm fuel.
- It is expected the additional revenue from personal income and corporation tax will yield approximately \$22,500,000 per year while the tobacco tax should yield approximately \$10,000,000.

Farm income dropped by \$15,000,000 in 1968 which certainly justifies the removal of the .03¢ tax on farm fuels. In an effort to ease the burden of education taxes to the ratepayers the province will increase its contributions to the school foundation fund by \$19,000,000 to a total of \$150,000,000 and a further sum of \$6,000,000 will be made as additional grants to school boards.

The Special Legislative Committee reporting on automobile insurance, compulsory vehicle inspection program, driver education including penalties for use of alcohol and drugs was talked yesterday in the Legislature. It has been a wonderful experience for me to be a member of the committee. Most of my constituents have seen our recommendations, however I would list a few of the more important ones.

- 1) Demerit system for all drivers. This system to follow that of Ontario, where a driver draws a given number of demerit points based on convictions, will be sus-

pending for a three month period.

2) That, the vehicle inspection program be proceeded with promptly throughout the whole province and with the least possible inconvenience to motorists.

3) That universal driver education be introduced progressively and promptly into the classroom as a credit course.

4) The committee is of the opinion that a major assault should be launched to reduce the number of accidents by tougher licensing laws and stricter enforcement, especially in the offences of driving while under suspension or impaired driving.

This season we have heard considerable debate concerning problems of pollution and drug uses in the province.

The government has made a decision to bring the Big Horn Dam Project before the Standing Committee on public affairs. This is a project that some members of the St. Albert Fish and Game Association have shown considerable interest in. The Legislature will now be able to call in any witness they desire to question them as to feasibility, cost, etc. I will give a report later on in the session.

## St. Albert boxers win in city

St. Albert fighters won two of five bouts on the South Side Legion's card last Friday night.

Lonnie Eschuk defeated Robbie Kotaruk in a 55-pound bout and Doug Hamper outpointed Darryl Quinn in a 65-pound battle.

Paul Jelley, fighting in the 125-pound division, lost a split decision to Terry Guzak. He'll get a chance for revenge Saturday, however, as he is re-matched with Guzak on the St. Albert Boxing Club's card in Mission Park School.

Gary Larsen, 85 pounds, dropped a decision to David Conroy and Greg Pudlowski, fighting in the 70-pound division, suffered his first loss of the season being outpointed by Kevin Quinn.

goals and J. Edwards one in the opening period Sunday to spur Stedebauer to the win.

Legal came back in the second period with goals by D. Brisson and Ben Van De Walle but they were still one goal short of a tie. It was a margin they were never to make up.

In the opening game Stedebauer held Legal to a 2-2 tie in the first period but fell behind 3-2 after the second. The third period was all Legal.

L. Douzloch scored three goals for Legal and Brisson, with two, and L. Pelletier got the others.

Timmy O'Neill, with two, and Mike O'Neill scored for Stedebauer.

In the second game Tim O'Neill kept up his two-goals-a-game pace and Mark Thompson got one. Stedebauer was coached by Don Saunders.

## Flyers down Morinville

## Boxing club protesting handling of title fights

The St. Albert Boxing Club plans to lodge protests with the Alberta Branch of the Amateur Athletic Union of Canada over the handling of title fights for two of its members. The club claims Gordon Russell, chairman of the Alberta branch, mishandled the challenges with the result that Jim Kelly and Gary Larsen won't be fighting for titles when the St. Albert Club holds a card in Mission Park School on Saturday night.

Kelly had expected to fight Wendell Hodson of Fort McMurray, holder of the 105-pound Alberta junior amateur title. Larsen had issued a general challenge for the vacant 85-pound title.

Brian Jelley, club instructor, said Kelly had issued a challenge for the 105-pound title after giving up his 100-pound title in January because he could no longer make the weight.

"Russell said Kelly would have first shot at the title, which at that time was vacant," Jelley said. "But the next thing we knew Denis Belair and Hodson were fighting for it."

Jelley said that Russell had told him the fight was on between Kelly and Hodson but when he phoned Fort McMurray last Sunday, the instructors there said they would not be coming.

"They said they had only been notified about the fight 10 days in advance when the rules call for 14," said Del Wilson, an executive member of the club.

"But the real reason they don't want to fight is that they know Kelly will beat their boy."

Jelley said there was a possibility Gary Larsen would be fighting a boy from Breton but nothing was firm.

"We're still working on it," he said Tuesday night. "But we don't have any guarantees."

If Larsen doesn't get the title fight, he will be re-matched with David Conroy of the South Side Legion.

## Fire Dept. peewees lose

St. Albert Fire Department Peewees suffered a 2-0 defeat at Ardrossan on Monday night.

Ardrossan took a 1-0 lead in the second period and sewed up the game with another tally midway through the third.

Last week Fire Department dropped a 4-3 decision to Athlone in Edmonton.

Fire Department trailed 2-1 after the first period, led 3-2 after the second, but faltered in the third. Dickie Commandeur,

Terry Kieser and Brian Bedell scored for Fire Department.

## Comets score victory to take sr. puck crown

The St. Albert Comets won the Sturgeon River Senior Hockey League championship Tuesday night, defeating Vimy Rockets 10-3 in Westlock arena to take the best-of-seven final in four straight games.

Joe Cassidy, Ray Lamer and Fred Hesse, each scored two goals for the Comets. Richie Perreault, Dave Joyal, Dennis L'Hirondelle, and Al Miller each scored singles. Leo Provencal scored two goals for Vimy. Art St. Arnaud scored the other.

Comets had won the first three games by scores of 8-3, 7-5 and 5-4.

In the opening 8-3 win, Comets found themselves down 2-0 in the early minutes of the game as Rockets scored on two power plays.

Comets came roaring back for five goals, however, to lead 5-2 at the close of the period. It was 7-3 after the second.

Jim Reid, Ray Lamer and Fred Hesse each scored two goals for Comets. Terry Dube and Joe Cassidy each scored once. Ray Baert, Leo Provencal and Roger St. Arnaud scored for Vimy. Comets also had to come

from behind in the 7-5 victory. The first period ended 1-1 but Rockets went ahead 4-1 in the second. They couldn't stand prosperity, however, and Comets tied the score before the period ended.

Comets never trailed in Sunday's tilt. They led 3-1 at the close of the first period and 5-3 at the end of the second. Vimy rallied for two goals in the third but they weren't enough.

Dave Joyal and Richie Perreault each scored two goals for Comets and Dave Joyal got the other. Leo Provencal got three goals and Pete Provencal scored one for Vimy.

Eight-year-old Richard Provencal, captain of the Vimy mites, receives the Zadunayski Trophy, emblematic of the Pembina Valley Hockey League championship, from Wilfred Zadunayski. The Vimy team, coached by Paul E. Huot, defeated Barrhead in the final after sidelining Clyde in the semi-finals. Richard is the brother of Leo Provencal, the top scorer in the Sturgeon River Senior Hockey League.

## Fire Dept. pee-wees Sturgeon Champions

You'll never see better hockey in any house league.

That was the consensus Sunday afternoon as Fire Department defeated Red Wings 1-0 in overtime to win the Sturgeon Valley Pee-wee Hockey League championship.

It was the third straight game in the best-of-three final that had gone into overtime. Fire Department won the opener 3-2 Thursday with a goal with only a minute of play gone in the overtime period. It took a little longer Saturday, Red Wings winning 1-0 with a goal after a minute of play in the second overtime period.

The Sturgeon River championship was the result of Saturday games only in the St. Albert Pee-wee Hockey League, as Saturday was the only day teams from Legal and Morinville competed.

Red Wings had earlier won the St. Albert Pee-wee League championship.

To reach the Sturgeon River final, Fire Department defeated Legal in a best-of-three series that went the limit.

In Sunday's final encounter, the Firemen, playing their ninth game in 10 days, began to come on strong late in the second period and after a shaky opening shift in the third, assumed command.

They didn't win it until the overtime, however, when Sandy Millroy lifted Terry Kieser's passout high into the goal.

Until that goal, Red Wings' goalie Dave Hunt, probably the individual star of the series, had shut out Fire Department for seven straight periods, including the Saturday overtime.

Gary Ferguson, Red Wings top scorer throughout the season, got the only goal in that one, picking up a pass at centre and swooping in alone to beat goaltender Chris Krupa.

In the opening game, Terry Kieser was a one-man show for Fire Department, scoring all three goals.

Gary Muzichuk and John Wells scored for Red Wings.

There was only one penalty in each game of the

final, Fire Department getting two of them.

Krupa handled all the goaltending for Fire Department during the play-offs, giving up only 10 goals in eight games.

Fire Department is coached by Doug Millroy, the Red Wings by Randy Soucy.

## Bantam puck tourney set

All six teams in the Sturgeon Valley Bantam Hockey League will compete in a round-robin tournament at Legal on Saturday.

Each team will play one period against the other.

Teams competing are Stedebauer, Buck Hawks, Sawfay and Co-Op from St. Albert, Morinville and Legal.

The tournament will start at 12 noon.

## Fight site changed

St. Albert boxing club's Saturday night fight card will be held in Mission Park School instead of the Community League Hall.

The site was changed to the school because of a mix-up in dates which ruled out the Community League Hall, the scene of other St. Albert Boxing Club cards.

A fight between Bill Booth of the South Side Legion and Wayne Jordan, an independent now training with the St. Albert Boxing club, will headline the card.

The 132-pounders fought on the South Side Legion's Pee-wee puck tournament.

An eight-team pee-wee hockey tournament will be held in Morinville from 12 noon to 8 p.m. Sunday.

Teams competing will be Morinville, Legal and Red Wings, Lions, Legion, Dick's Plumbing, Knights of Columbus and Fire Department from St. Albert.

Each team will play one 15-minute period against the other.

card last week and Booth came out with the decision.

St. Albert boxers will meet four Sherwood Park fighters, Doug Hamper meeting Dwight Bishop and Jim Hamper meeting Don Warner in 65-pound bouts; Greg Pudowski meeting Greg Fountain in a 70-pound scrap; and Larry Chyzyk meeting Glen Davidson in a 90-pound battle.

In other fights: Brian Hamper will meet John Burns of St. Matthew's (30 pounds); Richard Vallee will meet Randy Klotz of St. Matthew's (90 pounds); Lonnie Eschuk will meet Robbie Tokarchuk of South Side Legion (51 pounds); Gary Larsen will meet David Conroy of South Side Legion (85 pounds); and Paul Selley will meet Terry Guzak of South Side Legion (125 pounds).

The club is also still attempting to line up a fight for Wayne Dorn.

Mission Park School is two blocks north of the Community League Hall.

Admission will be \$1 for adults and 50 cents for children.

# Bishop of St. Paul consecration set

Most Rev. Edouard Gagnon will be consecrated as Bishop of St. Paul diocese by the Apostolic Delegate in St. Paul Cathedral at 2 p.m. March 25.

Father Gagnon was born Jan. 15, 1916, at Port-Daniel in Caspe, Quebec.

Soon after, the family moved to Montreal, where he attended the primary schools Adelard-Langevin and Chomedey-de-Maison-neuve. After having begun his classical studies by pri-

vate courses, he attended Assumption College in 1935-1936 and obtained his Bachelor of Arts degree.

Then he entered the Major Seminary in Montreal, and was ordained on Aug. 15, 1940, at the summer camp Les Grèves, a camp for youth of ages nine to 15. Each summer it received three separate groups of 700 youth each. This camp is very dear to Father Gagnon. He devoted several summers to it, and was its director from 1947 to 1952.

During his first year as priest, he taught Holy Scripture at the Major Seminary in Montreal and prepared a doctorate in theology. He spent the next three years at Laval University in Quebec and returned with a doctorate in canon law.

He passed a year of "sabbatical" in Montreal, in 1944-1945, at the same time beginning his work as professor of canon law and of moral theology, a task which he continued until 1954.

In 1954 he was named rector of the Major Seminary in St. Boniface, Man., the direction of which had been assumed by the Sulpicians. From 1961 to 1964 he was rector of the Major Seminary of Manizales, Colombia, South America. In 1965 he returned to St. Boniface.

In the meantime, Vatican II was in progress. Father Gagnon, expert at the Council, remained a year and a half in Rome, mostly during the last two sessions. Finally, in the spring of 1966, the Holy See called on him to be a member of the Pontifical Commission for Social Communications, which post he was preparing to fill in September of the same year.

Meanwhile, in July, the General Chapter of the Sulpicians took place and he was named superior of the Canadian Province.

Rich of a vast pastoral experience acquired in the

service of the priesthood and of the Church, Father Gagnon assumed his new functions. In fact, besides his work as professor and rector of seminaries in various environments, he always showed a great interest in all aspects of the priestly ministry: work with youth, ministry in parishes and with religious, retreats, conferences, articles in ecclesiastical reviews. . . In particular, he had the privilege of participating intimately in the life of the church-in-council.

In June of 1966, he was named consultant for the congregation for Catholic instruction and on Feb. 22, 1969, he was appointed Bishop of St. Paul.

The meeting was called to order at 8:30 p.m. by Mr. Leon Riopel, chairman. He then called for nominations for a chairman of the meeting. Mr. Paul Chailfoux was nominated and assumed the chair.

Mr. L. Riopel was then called to give the board chairman's report. He outlined classroom accommodation and the prospects for the Notre Dame School. Also he mentioned the situation regarding classroom equipment and school libraries. Teacher hiring, the salary grid, textbook rentals and transportation were mentioned. The support of all ratepayers was asked for our major problems. All who have co-operated in the past were thanked and asked to continue in the future.

Mr. A. Kunst was asked to speak. He mentioned that the boards have money problems and listed the supporting services that come from the school division.

The senior principal was next asked to give his report. Mr. W. Fitzpatrick reported on school operations, staffing, enrollments, awards and the high school program. Also he included library services, audio-visual services and science programs. Examination results were reported as very good.

New programs reported on were: guidance, opportunity room services, vocational services, fine arts and the administrative council. Physical education programs were considered excellent.

It was recommended that a possible high school centralization be planned in the future. A very complete and favorable high school inspection report was read to the meeting by the principal Mr. M. Schayes.

The final report was that of the financial secretary, Mr. P. Brochu. The budget, revenue and expenditures were read and analysed carefully.

A general discussion period was then provided to the electors. Mr. Keith Everitt responded to a question on transportation. He stated the

Kinky Lake will be open for zone recreational fishing with 25 yards of any size gill net from March 17 to 29 inclusive.

The director of the fish and wildlife division of the Alberta department of lands and forest said in the announcement that all species of fish, including brook trout and rainbow trout, can be taken.
